

# Attention FDA

0508 '00 MAY -4 11:24

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam? *I think how*

*I want to Buy a Hearing Aids Should be up to me*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*I have to re say on other people to take me here and there  
If I can buy it from mail order it makes it better  
for me*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*No*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*Yes I've had good luck with mail orders and  
at a Cheaps Price -*
